General Comment

Why should I be responsible to pay for someone else birth control. This is the lamest thing I've ever heard of!

I won't do it! Hows that! I fill fire every woman currently employed with me. PERIOD! Nevada is a right to work state and crap like this won't allow women to work for me!

I am not responsible for their contraceptives no more than I'm responsible for changing their kids diaper!

Go after the guy that knocks them up or teach them to swallow. You bastards are way out of line!
